OFFICE OF PETITIONS

RECEIVED

8/26/02

Gentlemen: I have enclosed a detailed explanation of why it was completely unavoidable for me (according to my circumstances), to have paid this "issue fee before the due date.

The first file which I enclosed is a verification of the problems which I have had with my attorney overcharging me. Resulting in my having to discontinue his services.

The second, file includes correspondences showing some of the many attempts, which I had made in trying to communicate with the PTO. My patent attorney had only mentioned these "filing fees" in his correspondence with me but I had no idea of the ramifications of paying such fees. For example:

A: Could I deal direct with the PTO without going through my attorney?

B: If I could pay these fees direct, would I be given an extension of time in which to take over the patent application myself or would I be given time to search for another attorney?

Without the use of my attorney and not being able to make the correct contacts within the PTO it Was impossible to know how to proceed.

The third file is a job description indicative of the situation, which I am in. I implore the PTO to recognize the difficulty of trying to deal directly with the bureaucracy of the PTO while encountering problems with ones attorney, and while employed with the Unites States Foreign Service overseas.

Sincerely W. Joe Mikulski
